Randolph Building
401 Dulany Street
Alexandria VA 22314

Sir :

In accordance with the duty of disclosure under 37 C.F.R. §§ 1.56, 1.97, and 1.98, and supplemental to the Information Disclosure Statement filed February 27, 2006, Applicants hereby bring the following information to the attention of the Examiner in charge of the above-identified application. Specifically, the Information Disclosure Statement and Form PTO-1449 filed February 27, 2006 incorrectly noted JP S62-211386 as JP S62-211286, wherein JP S62-211386 was the document noted in the Japanese Office Action issued January 24, 2005.

Therefore, in order to complete the record, Applicants are submitting herewith the following documents along with a correctly noted PTO-1449:

(1) JP S64-056235 (Application No. 62-211286) to Takahashi et al., which was published on March 3, 1989, together with an English language Abstract of the same.

(2) JP S62-211386 to Iizuka et al., which was published on September 17, 1987, together with an English language Abstract of the same.

The Examiner is invited to review these materials to inspect the relevance indicated during Japanese examination.

Applicants respectfully request that the Examiner consider the above material and cited the same. Copies of the above-noted foreign documents are attached hereto and all of the above-noted documents are listed on the attached PTO-1449 Form. The Examiner is requested to initial the appropriate spaces on the attached Form and to return a copy of the completed Form to Applicants with the next official communication in the present application.

Applicants note that an Office Action on the merits has not issued in the present application, and thus no fee is believed necessary to ensure consideration of the submitted material.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Yoshio HARADA et al.
